Barking Dog Record / Diary

How to complete a barking dog diary

Your accuracy in recording the nuisance barking is of extreme importance as it may be presented as evidence in court.

Please create a detailed diary over a two-week period as the example indicated below.

The completed form **must** be returned to Council within 7 days of the last date recorded or Council cannot act, and another diary set will need to be completed.

** Please photocopy the blank form if more entries are required to record barking. **
