

Mobile Food Vending – Permit Conditions

1. General:

- 1.1. Display the Mobile Food Vending Permit in a prominent position.
- 1.2. The Mobile Food Vending Permit is not transferrable.
- 1.3. Permits are for one vehicle only. One vehicle is defined as a non-motorised van/trailer coupled with a vehicle solely used to tow. Multiple vans require multiple applications.
- 1.4. The Mobile Food Vending Permit is not automatically renewed.
- 1.5. Notify Council if ceasing trading in the approved vending location/s.
- 1.6. Comply with any directions from an authorised council officer.
- 1.7. Comply with any directions from Tasmania Police.
- 1.8. Council reserves the right to add, amend, suspend or cancel the permit or any permit condition and provide as much notice as possible to the Permit Holder.
- 1.9. Provide a copy of Public Liability and Product Liability Insurance to Council annually.
- 1.10. Maintain vehicle registration at all times.
- 1.11. If part of a festival approved by Latrobe Council, your separate application must be made via the festival coordinator.
- 1.12. The Permit Holder is responsible for obtaining any other approvals (if required)

2. Vending Location:

- 2.1. The Mobile Food Business must only operate within the approved vending location. External power supply is not permitted.
- 2.2. Mobile Food Businesses are not permitted on public property on Gilbert Street, Latrobe.
- 2.3. The vending location must not be located within 200m of any fixed food businesses unless an approved, signed Letter of Consent has been provided with the original application is displayed.
- 2.4. The Mobile Food Business must only operate subject to approved conditions.
- 2.5. The Mobile Food Business must only operate within the hours of 6:00am to 9:00pm unless otherwise approved.
- 2.6. The Mobile Food Business must not be left unattended for more than 1 hour on any day.
- 2.7. A maximum of 6 hours trading per day is allowed.
- 2.8. No alcohol is permitted to be made, sold, consumed or otherwise stored at the vending location.
- 2.9. The Permit Holder must not alter or make changes to any approved vending location including any vegetation or public equipment.
- 2.10. Council is responsible for any maintenance at vending locations.
- 2.11. Council reserves the right to alter, change or remove any food vending location at any time and will provide as much notice as possible to Permit Holders

3. Public Access:

- 3.1. The Permit Holder must not impede vehicles and/or pedestrian movements at the vending location taking into consideration ingress and egress, applicable speed limits or identified risks.
- 3.2. Ensure patrons do not queue across footpaths, driveways, roadways or similar.
- 3.3. The Permit Holder is not permitted to provide any tables, trestles, marquees, tents, chairs, boxes, crates or any other similar equipment for patron use on any paved surface or pedestrian thoroughfare.
- 3.4. Council reserves the right to amend, change or limit the month, days or hours of the vending location. An example of any change or limit to a vending location may be an

unforeseen health and safety risk has been identified or the conduct of a festival at an approved location.

- 3.5. Ensure any vehicle associated with the serving of food is not located outside the permitted vending location.

4. Health & Safety:

- 4.1. Ensure any advertising or signage is securely fixed to the Mobile Food Business and does not extend past the vending location or cause a risk of injury to the public.
- 4.2. Comply with all environmental health legislation pertaining to Food Business Registration
- 4.3. Comply with any legislation or Australian Standards relating to the installation, maintenance and operation of any gas or electrical equipment associated with the Mobile Food Business.
- 4.4. Ensure the Mobile Food Business is always presented in a clean and roadworthy condition.
- 4.5. Ensure all vehicles associated with the Mobile Food Business are parked in compliance with road rules and local conditions.
- 4.6. The Mobile Food Business is not permitted to receive any deliveries while trading without prior consent.

5. Noise, Smoke or Fumes:

- 5.1. Ensure the use of any generators or extraction equipment does not cause discomfort or nuisance through noise, smoke or fumes.
- 5.2. Ensure cooking procedures do not cause discomfort or nuisance through smoke or fumes.
- 5.3. Ensure any noise from patrons does not cause discomfort or nuisance.
- 5.4. Ensure the use of any amplified music or other sounds do not cause discomfort or noise nuisance.

6. Waste Management:

- 6.1. Ensure suitable waste receptacles are provided for patrons to dispose of any rubbish.
- 6.2. Ensure all rubbish is deposited at a suitable Waste Transfer location.
- 6.3. The Permit Holder is not permitted to dispose of any rubbish in any public Council provided waste receptacle.
- 6.4. Ensure all wastewater generated from the Mobile Food Business is contained in suitable onboard collection tanks and disposed of in an approved manner.
- 6.5. Ensure liquid waste is not released into the stormwater system.
- 6.6. The Permit Holder is not permitted to wash the Mobile Food Business at the approved vending location.
- 6.7. The Permit Holder is responsible for all costs associated with any Council organised clean-up as a direct result of the Mobile Food Business; i.e. the area must be left clean.
